Who is this course for?

If you are passionate about quality, risk management, best-practice, compliance and have an eye for detail.

Whether you are a current Internal Auditor, Internal Compliance Officer, Risk Officer this course will provide you with the skills needed to take the next step in your career.

Here's what one of our students thinks...

"I fully recommend you do this course, if you do not have experience with internal audits programs, or even if you do have experience, you can RPL the assessments.

I learnt more about contingency planning in Audits and when things may not go according to plan."

Craig Sergeant

Where can this course take you?

complete your assessments on a Quality Management System or Standard eg ISO9001 or Regulation/Legislation like NDIS, Aged Care, HSE, Risk, Food Safety, Health, Environmental... You choose the focus. You can use the workplace documents and materials from your current or past audits and employment, towards your assessments.

Becoming qualified in Quality Auditing is now considered a MUST have for a successful career in Quality Auditing and Quality Systems management..

Eligibility for a membership with Professional Associations, such as The Institute of Internal Auditors Australia

BSB50920

Diploma of Quality Auditing [NDIS Focus]

STUDY ONLINE

Do you have experience adhering to standards & regulations within your NDIS workplace?

Course Details

Course Code:
BSB50920

Duration:
6-12 months
(depending on
experience)

Delivery:
Online + Unlimited
Phone Sessions

**Nationally
Recognised:**
Yes

Who is this course for?

Whether you need to develop policies and implement, policies, procedures and systems that will meet the NDIS standards, or you are looking for a career as an external NDIS auditor or consultant this course will provide you with the skills needed to take the next step in your career.

Here's what one of our students thinks...

"All of the content in this training was relevant to my work as CEO in our NDIS organisation, The assessments were based on realistic activities from my work – we actually implemented what we learnt.

I would recommend this course to anyone in management positions, and policy writers. It was an excellent course."

Carmel Flavell , CEO Community Links Wellbeing

Where can this course take you?

You will be developing your organisations policies, procedures and systems to meet the NDIS standards. You will also be making sure that everything is then able to be implemented and systems followed to ensure compliance.

Get practical experience in the best practice principles of auditing in accordance with the latest ISO 19011:2018 guidelines for auditing management systems. Use the workplace documents and materials from your current or past audits and employment, towards your assessments.
